Medien in der Demokratie

Was sind Medien?

1. Ergänze den Lückentext. Nutze dazu den Lösungsspeicher.
2. Trage die passenden Begriffe in das Kommunikationsmodell ein.

Der Begriff „Medium“ bedeutet ursprünglich „**Mitte**“ oder „**Vermittler**“.

Medien **übermitteln** also Informationen und Nachrichten.

Dabei gibt es immer einen **Sender**, der eine **Botschaft** verschickt, und einen **Empfänger**, der sie erhält und entgegennimmt.

Ohne **Medien** gäbe es keine schnellen **Informationen** über Ereignisse in

Politik, Wirtschaft, Kultur oder Sport.

Deshalb spricht man auch von **Kommunikationsmedien** und **Nachrichtenmedien**.
